MOULD YOUR FUTURE

NIRMALA INSTITUTIONS

Nirmala Institutions, one of the pioneers in higher education, embarked on its first venture in 1954 with the objective of moulding responsible citizens who could creatively contribute to the betterment of the society. Nirmala Institutions serve thousands of students every year from all over the state through its five colleges imparting globally recognized Masters and Bachelors degree programmes in around 30 disciplines, spanning Management, Engineering, Pharmacy, Arts & Science and Polytechnic.

NIRMALA COLLEGE

Vision

Our vision is to mould ideal citizens with an instinct for empathy and compassion and adequately equipped with relentless power of advanced knowledge and competency skills to boldly face the toughest challenges of the modern competitive age.

Mission

Our mission is to develop, maintain and manage a world class teaching and learning environment in an efficient and sustainable manner. We promote innovation and entrepreneurship by way of strong linkages with industry and other stake holders. We also strive through value education to inculcate a sense of humanism and a deep concern for the well-being of others and to mould responsible global citizens capable of making effective contributions towards the nation building process.
